Hullo Christer,

Would you care to tell me more about The Blue Economy? Are you in media or more in public education? Are you looking to do a print, video, audio piece? Short or long-form? This so I know who to direct your questions to.

Let me know. Thanks, R.

**Subject:** About the recent spill in Colorado (Cement Creek)

Hi! My name is Christer Edvardsson and I work within a network called The Blue Economy. We work with research from ZERI among other things. The reason why I have sent so many e-mails is that I am trying to find someone at the EPA who can talk to me about the recent spill in Colorado (Cement Creek).

Best regards,

Christer Edvardsson
